GLENDALE— The CITY of HOMES

VOL. XV GLENDALE, (LOS ANGELES POSTOFFICE), LOS ANGELES COUNTY, CAL., THURSDAY, AUGUST 26, 1920 303

COURT AT 5:30 A. M.

JUDGE LOWE AT OFFICE THAT EARLY TO HEAR TRAFFIC LAW VIOLATORS

Judge Lowe set a new record yesterday morning for justices by opening his office in the City Hall at 5:30 o'clock for the hearing of pleas by the persons arrested for various violations of the traffic laws. He disposed of fifty-one cases before noon and the city treasury was considerably enriched by the fines paid in. A driver of a delivery truck for one of Glendale's grocery stores was fined $15 for reckless driving. His machine slid forty-six feet with locked wheels when he applied the brakes to avoid smashing into a city machine in which was City Marshal Stanley and Officer Collins at California avenue and Louise street. Judge Lowe announced that hereafter all auto drivers under eighteen years of age who appear before him charged with reckless driving and exceeding the speed limit, will be certified to the Superior Court, and this means a stay in the county jail if bail is not furnished at once. This means girls as well as boys. Judge Lowe says according to the law he must either do this or dismiss the cases, as fines cannot be assessed against minors. He regrets that this is necessary, but it is the only way, it seems, to check the criminal speeding of motor cars that is causing such an appalling death and accident list all over the county.

Also, traffic officers have been instructed that all non-residents arrested for traffic violations and all residents not considered responsible, must deposit $5 bail when arrested for traffic violations to insure their appearing in court.

There are thirty-eight cases of this kind to be tried tomorrow, also.

Mrs. Ed Turner Very Ill

Mrs. Harriet Grace Turner, wife of Ed Turner, 328 North Brand Boulevard, was taken with strong convulsions Monday and removed to the Glendale Sanitarium Hospital for an immediate operation, which was successful, but Mrs. Turner is still very ill. A babe was born, but died soon afterward. Funeral services were held this morning at 10 o'clock and the body interred in Evergreen Cemetery, Los Angeles, beside that of a son who died a few years ago. Mr. Turner is employed in Los Angeles.

New Idea for House

David Carney's double house at 214 South Louise street, about half completed, exhibits something new in construction, which was his own idea. The center wall dividing the two four-room apartments is of hollow tile, though the house otherwise is all of frame construction. Mr. Carney's idea was that such a wall would deaden the sound between the two apartments, which would be a happy feature, especially if either or both of them were occupied by families with children.

PRESBYTERIANS

PROGRAM FOR COMING YEAR'S WORK PLANNED AT LAST NIGHT'S SESSION

Prayer meeting last evening at the Presbyterian Church was unusually wide awake and filled with new things. Edwin Stafford, a former members and citizen of Glendale, gave a brief talk. Joseph Maier and Miss Nellie Warner, both back from their vacations, told their interesting experiences. Mr. Farrington, from Canada, had a word of appreciation for the prayer meeting, and Rev. Edmonds, the pastor, presented a tentative program for the new era work to be commenced the first of October, which included briefly an evangelistic tent program on the new lot owned by the Presbyterian Church at Harvard and Louise during the summer months, an every member social canvas the first of October, a family altar drive, special pre-communion prayer groups, definite goals set in all departments of the church for the Easter Ingathering, a special stress upon educated membership, New Era Magazine, mission study, publicity and stewardship, and every department working along the lines of religious education and life enlistment, personal prayer lists, tho men's program and the high school and college young people's club.

NEED OF HOTEL

PEARSON PUTS PROPOSITION UP TO BIG HOTEL MAGNATE

Voicing a need felt by everyone familiar with conditions in Glendale, James W. Pearson, Glendale real estate dealer, recently wrote the Linnard hotel interests, calling attention to the opportunity for a man or men with means to build a first-class hotel in Glendale.

"You are missing a good bet when you fail to erect one of your famous hotels in the beautiful and growing city of Glendale," wrote Mr. Pearson. "Glendale needs a fine hotel. Glendale has Pasadena beat on climate and beautiful accesses of approach. There are more good roads leading to Glendale than to Los Angeles.

"I have just returned from a trip to Santa Barbara and found such an abundance of hotels there that, when thinking over the entire lack of them in my home city of Glendale, I feel that it behooves us to get busy on that line."

D. M. Linnard replied very courteously to Mr. Pearson, saying that he is familiar with the beauties of this locality and the need of better hotel accommodations, but since he is reducing his activities, he is not in a position to take the matter up at this time.

Mr. Pearson makes public this correspondence in the hope that the attention of some capitalist or group of capitalists may have their attention called to the need of a big hotel and the opportunity it presents for the man who can handle such a proposition.

Auto Smash on Eulalia

Jesse Smith's Ford agency service car, driven by W. W. Holmes, was run into from the rear by S. Quillici, of Elko, Nev., driving a Chandler touring car, who was going south on San Fernando Road and turned into Eulalia, where the service car was standing, having been brought to a full stop. The Chandler was badly smashed up in front and a wheel broken. The service car escaped with slight damages.

BRITAIN FIRM IN MAC SWINEY CASE

SISTER OF CORK MAYOR WARNS LLOYD GEORGE THAT HE WILL BE HELD RESPONSIBLE IF MAC SWINEY DIES

(Special Service to Glendale Evening News)

LONDON, Aug. 26.—Mary MacSwiney, sister of Lord Mayor MacSwiney, of Cork, today sent a message to Premier Lloyd George at Lucerne, warning him that he will be held responsible if MacSwiney dies. The Cork mayor held in Brixton prison was reported barely breathing today. Physicians said he could not live longer than twenty-four hours.

The British home office today informed Redmond Howard, who protested against the imprisonment of MacSwiney to King George, that it could not change its attitude in the case.

PARIS, Aug. 26.—Gavin Duffy, diplomatic representative of the "Irish Republic" in Paris, today formally appealed to Premier Millerand for intervention by France in behalf of Terence MacSwiney, Lord Mayor of Cork.

POLES LACK AMMUNITION

SERIOUS SHORTAGE MAY GIVE BOLSHEVIKI OPPORTUNITY TO REORGANIZE FORCES

(Special Service to Glendale Evening News)

BERLIN, Aug. 26.—The Polish armies are facing a serious shortage of ammunition, according to semi-official advices today. This may give the Reds an opportunity to reform their shattered units and make a new stand along the Russo-Polish frontier. Twenty thousand Russians have crossed the boundary into East Prussia, it was reported.

PARIS, Aug. 26.—Polish forces have entered Grodno, formerly the Bolshevik main headquarters, according to dispatches here today. The Bolsheviki have evacuated Zilna, Lithuanian troops having occupied the railway station there, the foreign office announced today.

BERLIN, Aug. 26.—The Russians have refused to alter their armistice terms, according to unofficial dispatches from Minsk today. The Minsk dispatch said that despite Polish military victories, the Bolshevik armistice delegates still assumed an air of being masters of the situation.

From semi-official sources in East Prussia, it was learned that the Reds have far fewer reserves than they have been generally credited with.

The Poles today reported capture of the remnants of the Russian fourth army.

RUSSIAN REPLY TO ULTIMATUM

REDS NOTE TO ENGLISH AND ITALIANS WAIVES "CIVIL MILITIA" AND DISARMAMENT FOR POLAND

(Special Service to Glendale Evening News)

LONDON, Aug. 26.—The Russian reply to the Anglo-Italian ultimatum offered to waive any armistice terms proposed at the Minsk conference which were not contained in the digest previously submitted to Premier Lloyd George, it was announced today following receipt of the Russian reply here.

The note was cordial. It waived the Russian proposal for a Polish "civil militia" and Polish disarmament, but demanded that the Poles make an honest bid for peace and cease interruptions of the Minsk conference.

The Russian note replied to that sent by Arthur Balfour, president of the council, demanding an answer by Friday. Immediately following receipt of the reply, Kamenoff, Bolshevist commercial representative, conferred with Chairman Adamson, of the Parliamentary labor committee.

REVOKE GENTLEMEN'S AGREEMENT

IMPORTANT RESOLUTIONS ADOPTED AT FINAL SESSION OF FIRST STATE CONVENTION

(Special Service to Glendale Evening News)

SAN DIEGO, Aug. 26.—Delegates to the American Legion convention were on the road homeward today, following their final meeting last night. Buron Fitts, of Los Angeles, was elected state commander. Among important resolutions adopted at the final meeting, are the following:

That the Legion do not take part in disputes between capital and labor.

Endorsement of a proposed boxing law permitting 15-round bouts, similar to the New York law.

Favoring universal military training for six months.

Opposed dismissal of so-called "slacker" cases.

Demands immediate abrogation of the "gentlemen's" agreement with Japan.

SUFFRAGE BECOMES PART OF CONSTITUTION

(Special Service to Glendale Evening News)

WASHINGTON, Aug. 26.—The right of women to the ballot was formally made part of the United States constitution today when Secretary of State Colby proclaimed ratification of the nineteenth amendment.

POLES UNSAFE

GROSS CARELESSNESS OF EDISON COMPANY IN ALLOWING OLD POLES TO STAND

The Southern California Edison Company is exercising a greater degree of carelessness than good judgment in allowing the old poles to remain standing on Central avenue when they are in a condition that they are apt to fall to the ground at any time without a moment's warning. Not many weeks ago one of these unsightly affairs fell with a crash across the adjacent curbing and sidewalk endangering human life within a distance of thirty or thirty-five feet.

The foundation of this pole had rotted away at a point near the surface of the ground, making it impossible for it to withstand the least breeze of wind. Residents on Central avenue should ask for the prompt removal of these monuments of danger before serious accidents take place.

Posters on Trees

Never before in the history of Glendale have the trees on our city parkways been so bedecked with pictures of prominent men. Hartley Shaw, Mayor of Glendale, who is a candidate for the position of judge of the Superior Court has contributed his likeness to this galaxy of palm tree decorations. Ex-Trustee H. P. Coker, candidate for Supervisor, appears in his facsimile smile beneath the extended boughs of the majestic palms. Mushet, candidate for Supervisor, whose picture may not be an election winner, furnishes his name on a placard in bold-faced type. District Attorney Thomas Lee Woolwine, who seeks re-election, occupies a half-sheet space just above his political opponent, Charles W. Lyon, ex-Senator and present City Attorney of Venice.

There are many other pictures on trees more remote, but these mentioned above occupy so many good positions on the ornamental trees of the parkways that they cannot be passed by without honorable notice.

Glendale Buys Safe

The history of real estate in Glendale the past year would indicate that money paid for real estate at any reasonable price is a safe investment. Men in the past three months have doubled their money on real estate buys. Newcomers to this city are in most instances the ones who caught the vision and have already made good.

TRAVEL COSTS

INCREASE IN PASSENGER RATES EFFECTIVE TODAY KEENLY FELT BY MANY

Glendale, along with the rest of the United States, began to pay more for its travel today.

The new schedule of railroad rates—both freight and passenger, became effective this morning. In California the increase affected travel both within the state and from this state to another. The same rule soon will be in effect in other Pacific Coast states, railway officials said.

Roughly the raise, as it affects the west, amounts to 20 per cent on passenger fares, 50 per cent on Pullman tickets and 25 per cent on freight.

The 20 per cent increase over the Pacific Electric railway's interurban lines was felt sharply. It means trips to the beaches and to scores of towns surrounding Los Angeles will cost noticeably more than in the past.

While freight rates went up today along with passenger fares, the general public felt the passenger rate increase first.

Ad Brings Quick Results

A. J. Wan Wie, superintendent of the City Building Department, had a flat top desk to sell. He put a three-line ad in yesterday's Evening News and failed to tell his wife about it. Before 3 o'clock she began to be bombarded with telephone calls about that desk and she referred all callers to her husband. Meantime he had sold it to a man who called at the City Hall to see him as soon as the ad met his eye. Mr. and Mrs. Van Wie are willing to testify that Evening News classified ads are instantly and closely read.

OLD PENN PLACE

BEING TRANSFORMED INTO A RESIDENCE COURT BY MRS. GINGER, PRESENT OWNER

The old Penn place, as the home of Mrs. Bertha Hafner Ginger is still spoken of by old residents, is undergoing a transformation. The property has a frontage of 151 feet at 130 to 140 South Adams, as it would be if fully numbered, and 300 feet depth. On the lot furthest north is a four-apartment house, back of which a four-room bungalow will be built. About half-way back on the middle lot formerly stood a six-room chalet, which has been moved to the front of the south lot and will be remodeled for renting. To allow the moving of this house it was necessary to cut down what was said to be the oldest and largest pepper tree in the city, the trunk of which was twisted into a most grotesque shape. Another bungalow will be built in the rear of the chalet and Mrs. Ginger is having an old building converted into a two-room house for her own occupancy. The trees and shrubbery, which had rather grown wild during the last few years, will be trimmed and cleared out, giving the spacious grounds a park-like effect. All these changes will be a decided improvement to Adams street, once in the heart of Glendale and the base line from which the east and west streets were numbered.

Purrier Recovering

Latest reports from the bedside of Constable H. E. Purrier are that he is improving rapidly, and it is hoped that he will soon be able to leave the hospital and return to his home.

Through the courtesy of Supervisor Jonathan S. Dodge, the Board of Supervisors has unanimously voted to continue the regular salary of Mr. Purrier during the time that he is absent from work on account of injuries received while in line of duty.

To Build New Home

W. H. Reynolds, who owns an orange ranch at 2000 Kenneth Road, has been in the east for some weeks and is expected back soon, when he will build a fine new home on a lot he has purchased in the Huntley & Evans tract, just across Kenneth Road from his place. A brother, who will accompany him out from the East, will build on an adjoining lot purchased for that purpose.

Mrs. Davis Entertaining

Mrs. Arthur W. Knight and daughter Jane, of Chicago, are visiting at the home of Mrs. A. T. Davis, 627 Orange Grove avenue, this week. Mrs. Davis is a daughter of Mrs. Knight. Alfred Knight, who has been spending the year at San Francisco, is at present in the Yosemite Valley, enjoying a camping trip. He is expected to arrive home soon, his mother, Mrs. Arthur P. Knight, of 1305 East California avenue having received word to that effect.

NORTH OF DORAN

MANY NEW RESIDENCES ON HOWARD, ISABEL AND JACKSON

A really amazing change is noted by those who have occasion to traverse Howard, Isabel and Jackson streets north of Doran. On Howard, in particular, the new residences make a goodly settlement in themselves. Most of them are on the west side, near Doran, but there is one on the east side, about half done, which is almost on the bank of the wash, where the flood waters broke through in 1914 then rushed in a zig-zag path to Brand just north of Third street, as it was then, and on through the center of the city, doing great damage. This can never occur again, as the bank has been built much higher and the flood control work is an added protection. The new house referred to is one of eight rooms, for O. Sorenson. Two foundations just put in are noted on this street also. On Jackson there are five new bungalows in a row on adjoining lots, several in other locations and two or three new foundations. Isabel, also, has its quota of new buildings. It would seem that property owners up there realize what it will mean to them when Monterey Road opens outlets east and west to the streets named, also Kenwood.

Our County Does An Annual Business of Over $30,000,000

The Executive Head of our organization for conducting the County's business (which is your business and our business) is

JONATHAN S. DODGE

Chairman of the Board of Supervisors

He brought to the office a high degree of ability and sound business experience, and he is better fitted now by far to conduct the County's affairs. He has been in the service for four years, he is familiar with all its details, and he has proved himself to be in public office just what he is in private life, a careful, capable business man. His record is one of progress, achievement and efficiency.

We firmly believe that the interests of Los Angeles County will be best served if he is re-elected, and we recommend that all who are qualified to do so cast their votes at the Primary Election on August 31st for Mr. Dodge for Supervisor of the Fifth District.

Respectfully,

Hollow Tile Residence

For some time a pile of hollow tile has been gradually rising on the lot at 1134 Campbell street, building material of this kind being almost impossible to get and then only in small quantities. Enough has finally been accumulated at last and yesterday a permit was taken out by T. W. Lawrence for the erection of a five-room house, for J. H. Geurnner, to cost $4000.

Peter Hansen recently returned to Glendale from Gardena, where he and his wife and daughter had been living for three years past, and occupied their own home on the rear of the lot at 711 Orange Grove avenue. Now Mr. Hansen has decided to build a four-room bungalow on the front of the lot, and yesterday took out the permit. The cost is given at $3000.

NOTICE OF SALE OF FRANCHISE TO LAY GAS PIPES

To Whom It May Concern:

Notice is hereby given that an application has been made to the Board of Trustees of the City of Glendale for a franchise, granting the right for a period of forty (40) years, to lay, construct, maintain and operate a single line of pipe for the purpose of carrying therein oil, natural gas, or artificial gas, under and along a certain portion of that public street known as San Fernando Road in the City of Glendale, and that it is proposed by the said Board of Trustees to offer for sale and grant to the highest bidder said franchise upon the terms and conditions herein mentioned and said franchise is described as follows, to-wit:

A franchise, granting the right for a period of forty (40) years, to lay, construct, maintain and operate a single line of pipe for the purpose of carrying therein oil, natural gas, or artificial gas under and along that portion of that certain public street known as San Fernando Road in the City of Glendale described as follows:

Beginning at a point on the northern boundary line of the City of Glendale, said point being within the lines of that certain street in said City known as San Fernando Road; thence following the course of said San Fernando Road to the point of intersection of the northern property line of that certain street in the City of Glendale known as Doran Street.

That the terms and conditions upon which said franchise will be offered for sale and granted are as follows, and the grantee of said franchise or assigns shall be required to file a written acceptance of the terms and conditions thereof with the clerk of the City of Glendale, within thirty days after the passage of the ordinance granting the same.

That the grantee of said franchise, his, its or their successors or assigns, shall have the right to construct and maintain such traps and manholes as may be necessary to afford proper access to the said pipes and pipe lines for cleaning and maintaining the same, and said traps and manholes shall at all times be kept flush with the surface of the highway and so located as to conform to any order of the Board of Trustees of said City in regard thereto, and not to interfere with the use of the highway for travel, water mains or permanent culverts along said street. The grantee of said franchise, his, its or their successors or assigns, shall have the right, subject to such regulations as are now or hereafter may be in force, to make all necessary excavations in said highway for the construction and repair of said pipe lines, traps and manholes.

That the pipes to be laid and maintained under said franchise shall be of steel, of good workmanship and of an internal diameter of not less than twelve (12) inches nor more than sixteen (16) inches.

That the grantee of said franchise, his, its or their successors or assigns shall furnish and sell to the City of Glendale, or to any person or company operating a distributing system and maintaining the same in the City of Glendale, now or hereafter, gas for domestic and manufacturing purposes, and that the gas so furnished shall be furnished and sold at wholesale rates to said City of Glendale, or other person or company, above referred to, and that the gas so furnished shall be of good quality, free of injurious ingredients and of sufficient purity to be suitable for domestic use or manufacturing use, and that the grantee of said franchise, his, its or their successors or assigns, shall, upon request made by the City of Glendale, or by any person operating a distributing system now or hereafter in said City of Glendale, and upon payment of his, its or their reasonable charges for making the connection and for furnishing gas, furnish to such person, company or the said City of Glendale an adequate supply of said gas for domestic or manufacturing use, or for both such purposes.

That in event the said grantee, his, its or their successors or assigns shall in fact convey oil through said system of pipe lines said City of Glendale and all persons residing therein shall be entitled to receive from said grantee of this franchise an adequate supply of oil for domestic and manufacturing purposes, that the oil so to be furnished by said franchise, his, its or their successors or assigns shall be of the same purity and grade as the oil furnished by said grantee, his, its or their successors or assigns to other customers along said pipe line system and at the termini thereof, and that the grantee of said franchise, his, its or their successors or assigns, shall, upon request from and by said City of Glendale, or by any person or company operating a distributing system now or hereafter in said City of Glendale for the distribution of oil and upon payment of his, its or their reasonable charges for making the connection and for furnishing such oil, furnish to such person or company or the said City of Glendale an adequate supply of said oil for domestic or manufacturing use or for both such purposes.

That all pipes shall be laid not less than two feet under ground, and, unless the Board of Trustees of said City shall otherwise direct, shall be laid along the sides of the highways and shall be within five feet from the curb lines in said street, and shall not be nearer than three feet to the macadamized portion of said road; and in the event that it is necessary to cross any portion of macadamized road, cement gutter or culvert, the same shall be done in such manner as not to disturb the foundation thereof, and in event the same cannot thus be done, the said crossing shall be made under a special permit to be granted by the Board of Trustees of said City upon application therefor, said application to be accompanied with a drawing, specifications and explanations, showing the necessity for the same. That during the laying or repairing of any such pipes, any trench or excavation made for such purpose shall, from sunset to sunrise, be barricaded and protected by lanterns placed at distances of not more than one hundred feet apart, along such trench or excavation, one of which shall be placed in the center of any cross street fronting on said San Fernando Road, at the point where said work is in progress.

That every pipe line constructed, maintained or repaired under the provisions of this franchise shall be constructed, maintained and repaired in accordance and conformity with all of the ordinances, rules and regulations now in force and that may hereafter be adopted and prescribed by the Board of Trustees of said City of Glendale.

That the work of laying or repairing such pipes or other appliances shall be conducted with the least possible hindrance to the use of said highways for the purposes of travel, and as soon as the laying or repairing of any pipe or appliance is completed, all portions of the highways which have been excavated or otherwise injured thereby shall be placed in as good condition as the same were before the laying of such pipes, to the satisfaction of the Board of Trustees of said City of Glendale. That any damage or injury suffered by any person, by reason of any excavation being improperly guarded during said work, or by any cause whatever in connection with construction, laying or repair of said pipe lines, or pipe, shall be borne by the grantee of said franchise, his, its or their successors or assigns.

That the City of Glendale reserves the right to change the grade of said street or any portion thereof over which this franchise shall be granted, and the grantee of said franchise, his, its or their successors or assigns shall at once change the location of all pipes and other appliances laid under said franchise so as to conform to such change of grade. That if any portion of said highway shall be damaged by reason of leaks in any pipe laid under said franchise, or by any other cause, the grantee of such franchise, his, its or their successors or assigns, shall, at his, its or their own expense repair any such damage and put said highway in as good condition as before such leak, or other damage, to the satisfaction of the Board of Trustees of said City.

That if the grantee of said franchise, his, its or their successors or assigns, shall fail to comply with any of the instructions of said Board of Trustees with respect to the location of any portion of said system of pipes and pipe lines, or the repair of any damage to highways, within ten days after the service of written notice upon said grantee, his, its or their successors or assigns, requiring compliance therewith, then said Board of Trustees may immediately do whatever work is necessary to carry out said instructions, at the cost and expense of said grantee, his, its or their successors or assigns, which costs, by the acceptance of said franchise, said grantee, his, its or their successors or assigns agree to pay upon demand.

That the work of constructing and laying said system of pipes and pipe lines, shall be commenced in good faith within not more than four months from the granting of said franchise.

That the said grantee of said franchise, his, its or their successors or assigns shall, during the life of said franchise, pay to the City of Glendale, in lawful money of the United States, two per cent of the gross annual receipts of such grantee and his or its successors or assigns arising from the use, operation or possession of said franchise. No percentage shall be paid for the first five years succeeding the date of said franchise, but thereafter such percentage shall be payable annually.

And it shall be the duty of the grantee of said franchise and of his or its successors or assigns, to file with the Clerk of said City of Glendale at the expiration of six years from the date of granting said franchise, and at the expiration of each and every year thereafter, a statement, verified by the oath of the manager or presiding officer of said grantee or his or its successors or assigns, showing in detail the total gross receipts and gross earnings collected or received by said grantee or his or its successors or assigns during the preceding twelve months, arising from the use, operation or possession of said franchise, and within ten days after the time for filing the aforesaid statement, it shall be the duty of said grantee and his or its successors or assigns to pay to the City Treasurer of the City of Glendale the aggregate sum of the said percentage upon the amount of the gross annual receipts arising from the use, operation or possession of said franchise, and if the amount paid is incorrect, in the judgment of the Board of Trustees, they may order the payment of such additional sum as they may find due hereunder, and if not paid, the same may be collected by suit. And any neglect, omission or refusal by said grantee or his or its successors or assigns to file said verified statement, or to pay the said percentage of the said gross annual receipts at the times or in the manner hereinbefore provided, shall ipso facto work a forfeiture of said franchise and all of rights thereunder, to the City of Glendale.

That said grantee or his or its successors or assigns shall not sell, transfer, assign or lease said franchise or any part thereof, or any of the rights or privileges granted thereby, except by a duly executed instrument in writing filed in the office of the Board of Trustees of the City of Glendale, and nothing in said franchise contained shall be construed to grant to said grantee or his or its successors or assigns any right to sell, transfer, or assign or lease said franchise or any of the rights or privileges thereby granted except in the manner aforesaid.

Nor shall gas or oil to be carried by the said grantee, its successors or assigns through the pipe line for the construction of which this franchise is granted be disposed of directly or indirectly to any competitor of said grantee or its associated or subsidiary companies, operating in said City of Glendale, and be sold therein, except by the consent of the Board of Trustees of said City.

That any neglect, failure or refusal to comply with any of the conditions of said franchise shall thereupon immediately ipso facto effect a forfeiture thereof, and the said City, by its Board of Trustees, may thereupon declare said franchise forfeited, and may exclude said grantee or his or its successors or assigns from further use of the highways of said City under said franchise; and said grantee or his or its successors or assigns shall thereupon and immediately surrender all rights in and to the same, and said franchise shall be deemed and shall remain null, void and of no effect.

Notice is hereby given that sealed bids in writing will be received at the office of the City Clerk of said City of Glendale for said franchise up to 8:30 o'clock in the afternoon of the 7th day of October, 1920.

That the bids received will be opened at that time; that all bids must be for the payment of a stated sum in gold coin of the United States; and that the franchise will be struck off, sold and awarded to the person, firm or corporation who shall make the highest cash bid therefor, provided only, that at the time of opening said bids, any responsible person, firm or corporation, present or represented, may bid for said franchise a sum not less than ten per cent above the highest sealed bid therefor, and that said bid so made may be raised not less than ten per cent by any other responsible bidder, and said bidding may so continue until finally said franchise shall be struck off, sold and awarded by said Board of Trustees to the highest bidder therefor in gold coin of the United States, and provided further that the Board of Trustees reserve the right to reject any and all bids.

Each sealed bid must be accompanied with cash, or a certified check, payable to the City Treasurer of the City of Glendale for the full amount of said bid, and no sealed bid will be considered unless said cash or check is enclosed therewith; and the successful bidder must deposit at least ten per cent of the amount of his bid with the Clerk of said City before said franchise will be struck off to him, and if he shall fail to make such deposit immediately his bid will not be received and will be considered as void and said franchise will then and there be again offered for sale to the bidder who shall make the highest cash bid therefor, subject to the same conditions as to deposit as above mentioned. Said procedure will be had until said franchise is struck off, sold and awarded to a bidder who shall make the necessary deposit of at least ten per cent of the amount of his bid, as herein provided. Said successful bidder shall deposit with the City Clerk within twenty-four hours after the acceptance of his bid the remaining ninety per cent of the amount thereof, and in case he or it fails to do so, then the said deposit theretofore made will be forfeited, and the award of said franchise will be void, and said franchise will then and there, by the said Board of Trustees, be again offered for sale to the highest bidder therefor, in the same manner and under the same restrictions as hereinbefore provided, and in case said bidder fails to deposit with the City Clerk the remaining ninety per cent of his bid within twenty-four hours after its acceptance, the award to him of said franchise will be set aside, and the deposit theretofore made by him will be forfeited and no further proceedings for the sale of said franchise will be had until the same shall be readvertised for sale.

Notice is also hereby given that the successful bidder for said franchise must, within five days after said franchise is awarded to him or it, file with the said Board of Trustees a bond running to said City in the penal sum of One Thousand ($1000) Dollars with at least two good and sufficient sureties, to be approved by said Board of Trustees, conditioned that said bidder will construct said pipe lines and shall well and truly observe, fulfill and perform each and every term and condition of said franchise, and that in case of any breach of condition of said bond, the whole amount of the penal sum therein named shall be taken and deemed to be liquidated damages and shall be recoverable from the principal and sureties upon said bond. If said bond be not so filed, the award of said franchise will be set aside, and any money paid therefor will be forfeited. The Board of Trustees reserve the right to grant similar franchise over said street to any other person or company.
